Dreams Realized.

See the shrines, pagodas, and temples of Tokyo and Kyoto, and find serenity in the art of a Japanese garden. Survey the armies of the Terracotta Warriors—still standing guard over the Emperor after 2,000 years. Find your zen in a Tai Chi class or take a train passage in India for a safari to find leopards and tigers and bears! Every Globus tour always includes the legendary landmarks, the major attractions, and the must-sees in history. Going beyond the iconic exteriors, we lead you to the front of the line, straight through the door, and inside the walls of Asia's most awe-inspiring places for an exclusive look behind the scenes. With priority access, we ensure you behold the sights you've long dreamed of—without the wait.

Skip the Lines *Those long queues you've heard about at the most popular attractions? Don't worry. You won't be standing in them. We arrange VIP access at the legendary sights so you can mosey in, marvel, and move on to the next "must" on your bucket list.*

Do as the Locals Do.

When in Rome—or Delhi, Shanghai, or Tokyo, we arrange for you to do as the locals do, not just what the tourists do. In every itinerary, we include hands-on, authentic experiences for a true taste of a day in the life.

Sip sake in Takayama or traditional Japanese tea in Tokyo. Say “aww” at China’s giant panda research base in Chengdu or take a rickshaw ride through Delhi’s famous outdoor bazaar. Learn to cast a wide net in Vietnam with a local fisherman on Hoi An’s Thu Bon River. Dance to the tune of different cultures and walk in someone else’s shoes to experience the world from an insider’s perspective.

Local Favorites *Local Favorites are unique insider experiences you wouldn’t find traveling on your own—and they’re a highlight of every Globus vacation. 🌟 To see which Local Favorites are included on each tour, just look for the icons highlighted in every itinerary.*

A Friend in Every City.

Join us and a few of our friends in your next dream destination. After all, we've spent over 90 years making friends in virtually every city and country in the world who let us in on local secrets, like where to find the best markets, meals, and monuments; the best vantage point; or the views not everyone gets to see. Every Globus vacation includes local experts to share the stories behind the sights and local favorites you won't find in the guidebooks. Globus Tour Directors and Local Guides hail from the region through which you're traveling. No one is more familiar, passionate, or eager to share insider knowledge than our local pros!

Meet Keiko.

Having lived in both North and South America, it is Keiko's experience as a secretary to Japanese diplomats, an interpreter, and host to international visitors that enhances her expertise and passion in sharing Japan's authentic locales and experiences. Today, Keiko's greatest satisfaction is guiding Globus travelers and seeing the enjoyment and wonder in her guests. When not guiding tours in Kyoto and other beautiful destinations in Japan, Keiko continues to enjoy learning with visits to museums and restaurants, and cooking healthy recipes!

Exclusive Travel Tool

A fabulous freebie, the GlobusGO mobile app provides a world of pre- and on-trip information at your fingertips. Stay on top of flight schedules and itineraries, get dining, sightseeing and entertainment recommendations, easily navigate local streets with GPS directions, plus document your journey—all without the need for Wi-Fi or cellular data.

Adventure, A la Carte.

While a Globus tour gets you up close to the must-sees and introduces you to special moments in time, it also allows for time to create memorable moments of your own—those serendipitous snippets that can't be planned or scheduled. We build freedom into every itinerary so you can explore by river, rickshaw, or rail. Don't wait a lifetime for that once-in-a-lifetime experience that's waiting just around the corner!

Pick your Passion.

Maybe you're an art lover, a foodie, or a history buff. Perhaps you're moved by music and dance, or the great outdoors. We offer a creative menu of optional excursions and activities—tailored to a variety of fitness levels—so you can customize your adventure with your own personal passions and preferences. Each Globus excursion and activity has been tested by us and handpicked just for you! You never have to choose between included and optional excursions, since optional activities fit seamlessly with your vacation schedule!

We've Spent Over 90 Years Planning your Vacation.

When you select a Globus vacation, you're choosing experience, passion, and perfection. Our dedication began over nine decades ago when a young Antonio Mantegazza became inspired to share the stories of his home while using his family's rowboat to transport lumber across beautiful Lake Lugano in Switzerland. He soon began transporting tourists instead, and what began on a spring day in 1928 blossomed into the worldwide name in travel.

And We've Made Many Friends Along the Way. *When you've been showing the world to travelers for more than nine decades, people take notice. It's not just our travelers who rave about the Globus experience. Year after year, we are honored to be recognized by our esteemed colleagues in the travel industry as well.*

What's the most important thing to bring on a journey to Vietnam and Cambodia? Your bargaining skills! The art of haggling is a must at the bustling markets of Hanoi, Siem Reap, and Ho Chi Minh City where you can negotiate everything from luxurious silk to colorful ceramics to a tasty bowl of pho. The number one rule of thumb—always be willing to walk away. Luckily there's so much to walk toward on this colorful tour of Southeast Asia, including the fascinating wartime tunnels of Cu Chi, a fishing lesson on the Thu Bon River, and a breezy city cyclo ride around vibrant Hanoi. The picturesque pagodas of Hue and Hanoi are just a taste of what's to come at the mystical temples of Angkor. Inside the "City of the God Kings," you'll find the architecturally magnificent ruins of Angkor Wat delightfully much more than you bargained for.

We've prepared everything you need for the perfect vacation—from transfers to and from your hotel and included intra-vacation flights to expert Local Guides and included VIP sightseeing access to the world's iconic sites. Your Globus Tour Director is always there to help you make the most out of your free time! For standard inclusions, see page 52.

The Art of Travel Planning

Globus eliminates the hassle and stress, not to mention the unnecessary expense, of planning travel on your own. With nearly a century of designing tours around the world, we know our way around travel planning. From air travel, superior hotel accommodations, and insider locals who are waiting to show you their hometowns, Globus raises the science of travel to an art form. We insist on the highest standards to design seamless itineraries, excursions, transportation, and accommodations we've actually tested ourselves. Our exceptional Tour Directors, Local Guides, and Local Hosts actually live in the region through which you are traveling. During your vacation, our extensive network of operations specialists work behind the scenes to monitor your trip in real time to ensure that everything goes smoothly. That's the art of delivering unique, quality travel experiences every time.

Special Note for Travel Agents

Booking a vacation with the Globus family of brands couldn't be easier. Use our Online Reservation System at GlobusFamilyPartner.com or call our Travel Consultants at 800.221.0090.

Please have each guest's exact name, date of birth, gender, and nationality as it appears on his/her passport as well as guest phone and email contact ready when booking.

Always Included

Perfectly Planned Vacations

Travel should be about discoveries, not surprises. With Globus, you'll know exactly what's included with your vacation price, with every inclusion (guided sightseeing, excursions, hotels, transportation, and dining) clearly listed for each tour.

VIP Sightseeing

See the world's iconic landmarks and out-of-the-way sights with the experience and global partnerships only Globus can share. Skip the lines at the world's most famous sights, and head to the front of the class with VIP sightseeing access. Experience Local Favorites for behind-the-scenes and rare cultural and culinary experiences that reflect the local traditions and flavors. Our certified Tour Directors and Local Guides are actually from the places you're visiting and are passionate about sharing them with you.

Hand-Selected Hotels

Globus hand selects excellent accommodations and locations with you in mind. We're proud to partner with some of the world's finest hotels, most of which are rated as deluxe (D), superior first-class (SF), or first-class (F) by our strict quality control team based on the Hotel & Travel Index and by national tourist boards. We also insist that our hotels provide you with complimentary Wi-Fi in the lobby. While hotels are listed on each itinerary, it may be necessary to substitute an alternate property of equivalent standards when circumstances arise. Your travel documents will list hotel addresses and telephone numbers, plus you can find more details on our website. See our terms and conditions for room configurations and details.

Traveling in Style

When you step aboard your Globus private deluxe motorcoach, you'll be immediately impressed by the comfort and amenities: reclining seats with extra leg room and individual air-conditioning vents, high-fidelity speakers delivering clear commentary by your Globus Tour Director, and free Wi-Fi (where available). While other tour operators pack their motorcoaches with 53 passengers, Globus small-group departures average just 20 guests. We extend this careful consideration of your comfort and exceptional travel experience to the flights, rail, and cruising portions of your vacation.

Included Meals

Enjoy included daily breakfast and carefully selected lunch and dinner experiences that deliver authentic and local flavors—with at least one complimentary glass of wine or beer (dinners only), soft drink, plus coffee or tea. Scheduled meals should be balanced with the freedom to explore local cafés and restaurants on your own, which is why our itineraries are designed without certain meals in locations where dining is a major attraction! Oftentimes, your itinerary will also include sampling regional specialties. Some hotels and restaurants may be able to accommodate special dietary requests but, unfortunately, we cannot guarantee the availability or cost of special requests. Your Tour Director is always happy to help.

Air Reservations & Free Airport Transfers

Globus offers great benefits when you book your flights with us. Our air specialists take care of all the details of air travel that fit perfectly with your tour itinerary. When you land, you'll be greeted by a friendly Globus Host, and enjoy free transfers to and from your hotel and the airport. If we book your flights, if there are any changes to your vacation schedule, we make the changes for you. See page 58.

GlobusGO Mobile App

Our free GlobusGO mobile app* puts the world in the palm of your hand—before, during, and after your trip.

From your smartphone, you can log in to check flight, hotel, and airport transfer information, and review your itinerary up to 45 days prior to your Globus vacation. At your destination, get local maps, free time suggestions, and recommendations on local entertainment, sightseeing, dining, and shopping. With built-in GPS navigation, get the direction you need—without the need for Wi-Fi or cellular data. Your GlobusGO app is the perfect travelogue tool for sharing photos and journal entries—all in the palm of your hand.

*The GlobusGO mobile app is not available on every Globus tour or in each geographical location.

Enhance Your Vacation

OPTIONAL EXCURSIONS

Globus offers handpicked optional excursions and activities that fit seamlessly into your included itinerary. With MyGlobus we make it simple to select your choice of optional excursions for pre-purchase from 90 to 4 days prior to departure. There may be optional excursions available as last minute additions while on tour as well.

Please Note: Optional activities and excursions are subject to change and may not be available as described; please visit our website for details.

START SOONER OR STAY LONGER

If you want or need extra nights immediately before and/or after your tour, we can make reservations for you. Rates are per person, per night and include breakfast, service charges, and taxes. If space is unavailable at the designated tour hotel, we'll arrange accommodations at a hotel of equivalent standard. In this case, the transfer from/to the vacation hotel is at our expense. During particularly busy periods, hotel space for extra nights may be unavailable.

Please Note: Airport transfers are available for purchase if you book extra nights, see our website for details.

BACK-TO-BACK VACATIONS

Adding a second (or third or fourth!) tour to your vacation is a great way to easily extend your travels across destinations. In fact, it's one of the best ways to fully experience a destination. Better yet, you'll receive a discount when you book back-to-back vacations. Visit our website or ask your Travel Consultant for details.

We've Got You Covered

No-Worry Travel Protection.

Travel Protection offers comprehensive protection for your travel investment. In addition to excellent trip coverage and cancellation protection, the plan includes a Cancel for Any Reason Waiver Benefit that allows for cancellations up to 24 hours prior to departure (or prior business day, whichever is farther out) for any reason. In the event cancellation is for a non-covered reason under Travel Protection, the cancellation penalty retained by Globus, minus the Travel Protection payment, will be reimbursed under the Cancel for Any Reason Waiver Benefit in the form of Travel Certificates valid for travel within two years from the original canceled vacation start date. This Cancel for Any Reason Waiver Benefit does not cover independently purchased air.

Security & Savings

No-Worry Price Guarantee

Travel should be about discoveries, not surprises. While the world is constantly changing, your vacation price doesn't have to. Provide your full air deposit for Flex Air and/or intra-vacation air purchased through Globus along with your land deposit, and you are protected against any airfare or surcharge increases. If you choose Instant Purchase Air, your full air payment locks in your price.

Our vacation prices listed are per person and based on double occupancy. They do not include airfare, unless specifically noted on the itinerary pages. If there are single room supplements or reductions for triple occupancy, they are listed when applicable. Single and triple rooms are not available on all vacations.

**Please see the Terms & Conditions for full information on our Pricing Policy and applicable guarantees, as well as deposit, final payment, and cancellation terms.*

Some of our itineraries indicate, "Vacation departures in 2022 are subject to price and itinerary modifications." Full details of all our 2022 itineraries will be available in August 2021, and will include any necessary changes to itineraries shown in this brochure. If there are changes to your 2022 itinerary, you have the right to cancel your reservation without penalty within 7 days of notification of our new published itinerary.

You are responsible for following the safety instructions provided to you. You are responsible for regulations for safety when accompanying minors. The Company does not provide child safety devices.

PREGNANT GUESTS

The Company does not have specialized facilities and/or treatments required for childbirth, prenatal, or early infant care on board its cruise ships, nor may those facilities be available at ports of call

or on land stays. You should consider the risks of traveling where necessary medical care for pregnancy may not be available and may not be reachable in a timely manner to address potential medical complications, problems, and emergencies that can occur during pregnancy.

WEAPONS

Weapons are not permitted. This includes firearms, knives, mace, brass knuckles, and weapons of any other type

HOTELS & CABINS

Hotels are listed in the accommodation section of our website and in our brochure.

AIR-CONDITIONING

Air-conditioning in hotels is not guaranteed, and its availability depends on local and national laws/regulations. Though hotels may have air-conditioning as a listed amenity, its usage is often unavailable at night or in the off-season. The Company has no control over air-conditioning at hotels.

CHECK-IN TIMES

The Company does not secure early check-in (unless specifically noted in an itinerary). Check-in times vary worldwide and are solely at the discretion of the hotel. At your discretion, you may inquire about early check-in when you arrive and pay the hotel directly for this service.

CRUISE STATEROOMS

Unless available and selected during the reservation process, staterooms are assigned upon embarkation. On Avalon Waterways cruises, The Company reserves the right to change your cabin when necessary. Upgrades must be purchased in advance of departure; there is no guarantee of upgrade availability if not purchased in advance.

HOTEL CHANGES

Hotels are not guaranteed. The Company reserves the right to substitute hotels of similar standards at our discretion. No refunds are provided for hotel changes. Should you wish to cancel your reservation because of a hotel change, full cancellation fees apply.

HOTEL REWARD POINTS

Hotel rewards/points cannot be earned or redeemed with hotels used by The Company.

ROOM CONFIGURATION

The Company contracts standard, twin-bedded rooms (two twin per room). Double-bedded rooms (one bed per room) are not guaranteed but may be indicated as a preference during the reservation. Assignment of rooms is at the hotel's discretion and not controlled by The Company.

SINGLES

Single supplements ensure your own room but not the number of beds in a room. Single rooms are generally smaller in size and may be less conveniently located.

TRIPLE ROOMS

Availability of triple rooms varies by itinerary and are not available on Avalon Waterways.

Triple rooms accommodate three people, but do not guarantee three separate beds. An additional bed, if available, is at the hotel's discretion and may be a roll-away bed put in for the night or a convertible sofa. If existing beds accommodate three people, and you request something additional, payment of the additional bed is payable by you directly to the hotel at checkout.

GUARANTEED SHARES

Guaranteed Share accommodations will be monitored and available only within state, federal and country regulations and may not be available at time of travel. Guaranteed Share accommodations are only available on Cosmos with the below exceptions.

GUARANTEED SHARE EXCEPTIONS

Guaranteed shares are not available on the following:

- Cosmos Asia
- Cosmos Africa
- Cosmos South Pacific
- Cosmos extensions in South America
- Avalon Waterways, Globus or Monograms

GUARANTEED SHARE MATCH

By selecting a share accommodation, you are authorizing The Company to match you with another participant as your roommate for the duration of your trip. The roommate pairing will be of the same sex and roommates will be assigned at time of travel. If no roommate pairing is available, The Company will cover the single supplement. Share accommodations are not available on all trips.

GUARANTEED SHARE LIABILITY, DISPUTES & INCOMPATIBILITY

The Company is not liable for any roommate pairing compatibility and, by accepting and purchasing a share accommodation, you waive any claims against The Company and assume all inherent risks in being assigned a roommate.

The Company is not responsible for any disputes between roommates (such as sleep patterns, snoring, noise, etc.). Any dispute between roommates is your responsibility to resolve. During the trip, alternate single arrangements, if available, may be secured but are never guaranteed. You are responsible for covering any extra expenses resulting from changing your rooming arrangements on trip. Payment in full will be required immediately upon securing new

accommodations.

TRANSPORTATION

ALCOHOL

Alcohol consumption is not permitted on any motorcoaches

RAIL & AIR SERVICES

If included rail or air services are unavailable, alternate services are provided at the expense of The Company.

SEAT ROTATION

For touring with Globus and Cosmos, The Company follows a mandatory, daily seat rotation on motorcoaches for all participants following recommendations by state, federal and country government agencies. Seat rotation may not be available in all instances.

TRANSFERS

Transfers are provided by independent third-party transportation companies. Airport transfers for Globus and Cosmos are often group transfers operated by motorcoach and may have pre-set departure times.

The Company is not responsible for flight delays, delays in immigration or customs, delays due to lost baggage, or for any reason beyond our control if you miss your transfer. Missed transfers are non-refundable.

RIVER CRUISING

CARRIER TERMS

On board an Avalon Waterways river cruise, you are also subject to the Terms & Conditions of the Carrier. Carrier Terms & Conditions are available for each Avalon ship upon request or on the AvalonWaterways.com website.

CRUISE ITINERARY CHANGES & CANCELLATIONS – EXCLUSION OF LIABILITY

The Company reserves the right to operate part of or all an itinerary by substitute vessel, motorcoach or hotel accommodation in the event of water level problems on stretches of any waterway, technical problems of any nature, severe weather, flooding, fire, drought, earthquake, explosion, peril of navigation, industrial action, civil unrest, war, government order or act, operational requirements, or any circumstances beyond the reasonable control of The Company.

The Company reserves the right to change the itinerary whenever conditions, in the opinion of the Master of the Ship or local waterways regulations, render it advisable or necessary.

DOUBLE DOCKING

Docking positions at each port are assigned by local authorities. River cruise companies have no control over where they can dock. This can sometimes result in double-docking - when more than one ship is assigned to the same dock and the ships are rafted together, temporarily obstructing the view. When double-docked you might be required to pass through another vessel to embark or disembark. In those cases, you will have to follow the instructions given by the Master or the crew of the vessel you will pass through. The Company will not be responsible for any inconvenience or injury sustained as a consequence of embarking or disembarking not under the direct control of The Company for reasons of such assignment.

RIVER, CANAL, LOCK & DOCK MAINTENANCE

River and other local authorities often need to carry out repair or maintenance work on the river or canal banks, stretches of river or canal, bridges, locks or docks, or other areas that may impede river cruise travel. This is frequently undertaken with little or no advance notice to river cruise operators, and can cause The Company to make changes to the published itinerary or to operate part of the itinerary by substitute vessel, motorcoach or hotel accommodation with little to no advance notice. These events are beyond our control, and The Company will not be responsible for any loss, expense, or inconvenience caused by reasons of such changes.

TRIP DOCUMENTS

It is your responsibility to obtain and have in your possession proper and valid documentation required for entry and departure for each country you travel. You are solely responsible for the cost incurred during travel for missing, incomplete or defective documentation. The Company is not liable for any loss or expense incurred due to loss, damage, or errant entry, exit or travel documentation.

DOCUMENTS FOR MINORS

Due to heightened security, many countries have adopted practices to prevent international abductions of children. It is your responsibility to know, understand and ensure you have the proper documentation for traveling with minors.

GUEST COMMUNICATIONS

The Company will send invoices, hotel lists, travel advice, and other information to the email address provided when making the reservation. A full travel packet is available electronically 2-3 weeks prior to departure.

MEMBER CERTIFICATE

Acceptance on your trip is subject to presentation of the Tour/Cruise Participant Certificate, which will be available in your final Documents.

PASSPORTS

You must have a passport to travel internationally. Passports must be valid for at least six (6) months beyond the conclusion of your trip. The Company requires your passport details prior to final documentation for all international travel.

VACCINATIONS OR MEDICAL CERTIFICATES

You are responsible to verify medical requirements for your travel. This includes, but is not limited to, vaccinations, medical certificates, and insurance policies.

VISAS

It is your responsibility to obtain and verify the validity of visas, and if visas are necessary for your trip. Securing and paying for all visas, entry documents, and any other requirements for entry into a country is your responsibility. It is your responsibility to carry these documents with you. The Company is not liable for denial for entry or exit, or costs incurred for not having correct and complete documentation.

WAIVERS

HEALTH & SAFETY

Signing of a Health & Safety Waiver is required for travel with The Company. You will not be allowed on trip without signing the waiver and you will be subject to the cancellation fees above. You can view a copy of the Health & Safety Waiver by accessing the following link at <https://www.GlobusJourneys.com/waivers>

AVALON WATERWAYS

Signing of a Liability Release is required on Active & Discovery cruises and for the activities that have higher levels of participation on all cruises. On the first day of the cruise, the Cruise Director will ask you to sign this Liability Release. You can view a copy of the Liability Release by accessing the following link at Avalonwaterways.com/ waivers.

WAIVERS GENERAL

During the course of your cruise, tour, or excursion, you may encounter the opportunity to participate in additional, optional activities that are provided by independent third-party suppliers. The suppliers of those optional services may render those services subject to separate and additional terms and conditions, or may require you to execute additional documents, waivers, or releases. It is understood that any assumptions of liability, waivers, or releases that are part of the suppliers' terms and conditions or that are required by those independent suppliers will also inure to the benefit of Group Voyagers Inc., Avalon Waterways, Globus, Cosmos, and Monograms.

CLAIMS OR COMPLAINTS

Any complaint or claim involving your trip or the services offered by The Company or involving the negligence of any suppliers (including Service Providers), sub- contractors, or agents in relation to any service provided to you must be made to the Tour or Cruise Director immediately while on trip.

Written notification to The Company may be submitted to the address above and must be received within 30 days of the trip completion, except where such limitations are prohibited by law.

RESPONSIBILITY

THE COMPANY

Group Voyagers Inc., at 5301 South Federal Circle, Littleton, CO is an independent company ("The Company") licensed to market and distribute travel products under the Globus, Cosmos, Monograms, and Avalon Waterways brand names, and arrange for the trip services, including transportation, sightseeing, and accommodations through independent contracts with third-party suppliers.

COMPANY REPRESENTATION

No person, other than an authorized representative of The Company by a document in writing, is authorized to vary, add, or waive any Term or Condition on its brochure or website, including any term or condition set forth in the preceding provisions.

A provision of these Terms may not be waived or varied except in writing, signed by the party or parties to be bound.

INTERNATIONAL CONVENTIONS & TREATIES

The international carriage of passengers is subject to international conventions and treaties, where applicable. These international agreements limit and, in some events, exclude the carrier's liability to passengers (trip participants). To the extent permitted by any relevant local law, where any claim or part of a claim (including those involving death or personal injury) concerns or involves any travel arrangements (including the process of getting on or off the transport concerned) provided by any air, sea, inland waterways, rail or road carrier, or any stay in a hotel, The Company's maximum liability is the maximum that would be payable by the carrier or the hotel keeper concerned under the applicable international convention, treaty, or regulation applicable to the travel arrangements or hotel stay (e.g., the Warsaw Convention, the Montréal Convention for international travel by air, the EU Regulation on Air Carrier Liability for air carriers with an operating license granted by an EU country, the Athens Convention for international travel by sea) in that situation.

LIABILITY

The trip participant agrees that neither The Company nor its affiliates shall be liable for any damage, loss (including personal injury, death, and property loss), or expense occasioned by any act or omission of any supplier (including any Service Provider) providing services, any insurer or insurance administrator under the Travel Protection plan, or any other person.

RIGHT TO ACCEPT OR REJECT

The Company reserves the right to accept or reject any person as a trip participant; to expel any participant from the trip; to make changes in the itinerary whenever The Company deems it necessary for the comfort, convenience, or safety of the participants; and to cancel a trip at any time.

You acknowledge and agree that our Service Providers may reserve similar rights regarding their services. You agree to abide by such conditions, and further agree to indemnify and hold us harmless against any exercise of such rights by any Service Provider.

SERVICE PROVIDERS

Air carriers, accommodations, and other suppliers (including but not limited to suppliers of trains, cruises, ferries, motorcoaches, hotels, excursions, and restaurants) providing services (Service Providers) are independent third-party contractors and are not agents, employees, servants, or joint venturers of The Company or its affiliates.

From time-to-time, and for the purpose of identifying those Service Providers as the provider of a component or part of a cruise, package or tour, some or all of those entities may utilize the name "Globus, Cosmos, Monograms or Avalon Waterways" on promotional media, signage, or attire. Although you may see The Company name on vehicles, signs, apparel, or elsewhere during your cruise, tour, or excursion, its use by Service Providers is solely for the purpose of identification and does not represent or signify in any way ownership, management, supervision, direction, or control, or the right to direct or control by The Company of services that are provided by the Service Providers, or of the employees, servants, or agents of the Service Providers.

All certificates and other Trip Documents for services issued by The Company are subject to the Terms & Conditions specified by any of our Service Providers, which are available upon request, and to the laws of the countries in which the services are supplied.

SERVICE RESPONSIBILITIES

After departure, if the Services included in the trip cannot be supplied or there are changes in an itinerary for reasons beyond the control of The Company, depending on the circumstance, The Company will take reasonable action to arrange for the provision of comparable services. Any resulting additional expense will be the responsibility of trip participants, and any resulting savings will be refunded by The Company to trip participants.

DISPUTES

Any dispute between the trip participant and The Company, directly or indirectly relating to the Terms and/or to the trip undertaken, shall be first submitted to mediation in Denver, Colorado, before a mediator mutually agreed to by the parties.

Any action arising out of or related to these Terms and Conditions or the travel reserved or undertaken hereunder, shall be brought only in the courts of the State of Colorado. All trip participants agree that Colorado shall be the sole and exclusive venue for any such action and hereby consent to the jurisdiction of the Colorado courts for such action.

ARBITRATION

Any claim against The Company must be brought within 12 months after the date of the completion of the trip and not later. The parties hereby agree and specify that claims may be brought only in the state or federal courts of Colorado, and the parties specifically consent to jurisdiction and venue in Colorado. Neither the parties nor any affiliate of the Company shall in any case be liable for damages other than compensatory damages, and the parties hereby waive any right to claim punitive or exemplary damages. Colorado law governs this contract and all proceedings arising out of or related to this agreement.
